

AT VILLA GARDENS  
a front porch community

What if the personalized memory care you're looking for came wrapped in a place as warm and bright as a cherished summer home?

Welcome to Summer House at Villa Gardens. Here you'll find a soothing retreat for your loved one and a nurturing space where each individual is honored.

*Summer House is an innovative memory care support neighborhood with 19 technology-enhanced accommodations with plenty of sunshine. We're a supportive neighborhood within Villa Gardens, a continuing care retirement community in the heart of Pasadena. We get to know each resident and offer an innovative approach using art, music and therapeutic technologies to engage residents in ways that are meaningful to them.*

## A family place.

We are compassionate caregivers who have created a special and intimate place that's comfortable for your loved one and your entire family. We welcome participation from family and friends. We shape our care around what's important to our residents and look for creative ways to contribute to their happiness, serenity and comfort.

## A life's story.

We celebrate each individual. Each accommodation has room for treasured mementos and photographs—a representation of your loved one's singular and amazing story. We embrace each resident in a way that offers the best opportunity for engagement.

## Peace of mind.

Our specially trained staff is dedicated to meet each resident's individual needs 24/7, 365 days a year. In addition to providing individual care, each caregiver is empowered to use the latest engagement technologies like Paro, the animatronic robot in the form of a plush harbor seal, Music & Memory® and It's Never Too Late interactive technology - all of which encourage engagement and focus on meaningful interactions and connections.
